

Due to an increasing portfolio of projects, we are currently recruiting additional, permanent trainee and experienced overhead line personnel.

Responsibilities

Safety is a crucial part of our day-to-day business and we look for people who will help us to continue to fulfil our aims of No Hurt to employees or others; No Harm to the environment or communities we work in; and High Standards of work and service.

What we can offer:

- A career in an essential industry which has excellent opportunities for progression;
- Dynamic and challenging projects to be involved in;
- Training and development;
- The opportunity to work with a company which has a reputation amongst our clients and local communities for high standards of work, safety, and environmental care.
- Potential salary:
 - Trainee – upon successful completion of 12-week probationary period - circa £48k
 - LE2 – circa £60k
 - LE1 - circa £70k
 - Plus, above industry-standard overnight allowance payments for working away from home;
- 30 days annual leave

What we are looking for from you

- Ability to work within a team;
- The ability to work at height (training will be provided);
- The ability to work in a physically demanding environment in all weathers;
- Full driving license (preferable but not essential);
- You will have a willing work ethic, be trustworthy, punctual and reliable;
- Experience of working outdoors and/or in construction is desirable;
- Applicants must be 18 or over.
